Shaun Smith Recipient of the Young Civil Engineer of the Year Award

Shaun Smith, P.E., has received the Young Civil Engineer of the Year Award from the Truckee Meadows Branch of the American Society of Civil Engineers. Smith is an associate and project manager with CFA, Inc., a multi-disciplinary consulting firm specializing in planning, civil engineering, hydrology, landscape architecture, and surveying.

Smith joined CFA in 2001 and is a licensed Professional Engineer in Nevada and California, with more than eleven years of experience in civil design. He holds a bachelor of science in engineering from the University of Montana, Montana Tech. Smith has worked on various projects including; St. Mary's Downtown Campus, Incline Elementary School, Cold Springs Middle School, RTC Transit Centers in Reno and Sparks, and the Vista Business Center.

ABOUT CFA, INC.

Founded in 1981, CFA, Inc.'s team of 38 professionals provides exceptional knowledge, skills, and dedication to the company, its clients, and its varied crafts. When it comes to planning, civil engineering, hydrology, landscape architecture, and surveying, CFA believes a client should demand excellence. As one of Northern Nevada's leading firms, they execute it every day. For more information, visit CFA online at www.cfareno.com.
